2023 RESERVE PINOT NOIR

REDDY VINEYARDS • EST. 1997 • 3,305 FT ELEVATION

THE WINERY

For nearly five decades, Dr. Vijay Reddy, PhD, the Godfather of Texas viticulture, has proven world class wine grapes thrive in Texas. At 3,305 feet, our estate vineyards shaped by sandy loam soils, constant winds, and dramatic diurnal shifts produce fruit with natural acidity, structure, and clarity. Every block reflects decades of research and refinement. Today, Reddy Vineyards spans 350 estate acres with a fully integrated winery. Sustainable farming and minimal intervention winemaking without unnecessary additives deliver transparent, terroir driven wines. Balanced, food friendly, and distinctive, these are wines built for the table, equally at home in Michelin recognized restaurants and neighborhood favorites, and easy for teams to sell.

THE TERROIR

Elevation: 3,305 ft above sea level

Soils: Sandy loam, clay, limestone & ancient seabed

Climate: Dry & windy with dramatic diurnal swings

Season: Long season — warm days, cool nights create deep balance

WINE BOTTLE

TASTING NOTES

Color: Medium ruby, clear and bright with jewel-like depth.

Nose: violet, aniseed, iron, and wild underbrush over a vibrant core of red cherries and fresh cranberries.

Palate: Medium-bodied and precise. Cool ripe strawberries, crushed spice, and a hint of clove. Bright acidity and silky tannin carry through to a very long, mineral-driven finish.

FOOD PAIRINGS

Roasted duck, braised lamb, hearty stews, mushroom risotto, charcuterie with dried berries, smoked and aged hard cheeses.

SERVICE & AGING

Serve at: ~60-65°F

Decanting: 15-30 minutes recommended.

Drink now: Ready to enjoy upon release.

Cellar: 3–5 more years will deepen earth and spice notes.
