

Reddy Wines

PICPOUL BLANC

APPEARANCE

Clear pale lemon

AROMA

Clean, crisp acidity, green apple, grapefruit, citrus

PALATE

Dry, high acidity, light bodied, fruit

WINEMAKERS NOTE

The **2024** season in the Texas High Plains began with cool temps and timely rain, leading to healthy vines and strong fruit set. A late-summer heat wave accelerated ripening, prompting early harvests. Yields were down from last year but above the five-year average. Our first release of Picpoul Blanc is bright, focused, and stainless steel fermented—bottled early to preserve its freshness and purity.

AVA

Texas High Plains

CLIMATE

Semiarid, extreme temperature shifts.
