WINEMAKERS NOTES

Despite early season hail and record spring rainfall, the Texas High Plains escaped threatening spring freezes, while late summer heat and dry conditions contributed to quality ripening leading up to the 2015 harvest. Fungal disease pressure was mitigated by disciplined vineyard management. The 2015 harvest provided a banner haul for red varieties with balanced ripeness. A mix of international varieties from “the Circle”, a vineyard plot which holds a special place in the hearts of the Reddy family, the grapes are harvested, pressed and fermented together. As such, Reddy Vineyards Field Blend is truly a reflection of the vintage, showcasing different characteristics each year depending on what nature provides. Fermented in stainless steel, this wine was carefully cellar aged for 32 months in oak to produce an Old World style wine reminiscent of a Spanish “Reserva”. The resulting wine is soft, with well-integrated tannins, that shows complexities of extended aging between the carefully preserved vibrant fruit tones.

TASTING NOTES

The perfect wine for daily enjoyment. The 2015 Field Blend is a medium-bodied wine which possesses notes of cherries, tart strawberries, dried fig, sweet tobacco and a hint of oak. Soft tannins provide a smooth finish. This fun wine is delicious on its own and is a versatile accompaniment to your favorite weeknight cuisine.

THE VINEYARDS & PHILOSOPHY

At Reddy Vineyards, we strive to provide the highest quality grapes to be enjoyed as your family’s favorite wine. Situated in the heart of the Texas High Plains AVA (American Viticultural Area), our vineyards are blessed to possess a rare combination of factors ideal for growing premium grapes. Soaring at an elevation of 3305 feet, the vineyards experience a long growing season with warm days and cool nights. Sandy loam soils with deep limestone deposits protect the vines from pests while forcing the vines to produce concentrated grapes. This unique terroir allows us to grow grapes with exceptional balance, depth, flavor and intensity.
