CASES PRODUCED: 720 Cases

#### WINEMAKERS NOTES

A blockbuster vintage for white and rosé varietals, 2019 brought near perfect weather conditions throughout the growing season and long into harvest. Favorable springtime conditions allowed the vines to complete budbreak and fruit set without experiencing any adverse weather. Moderate summer temperatures allowed for a long and slow maturation of grapes and produced fruit that was both complex and balanced. These Rhône varietals grow favorably in the hot and dry climate of the Texas High Plains. Each block was farmed and picked independently to ensure complete maturation of the grapes. We then fermented and crafted each varietal separately in climate controlled stainless-steel tanks to maximize the uniqueness of each grape. These wines were then expertly blended to create a final wine that is complex, layered and expressive of the best characteristics of its individual components.

#### TASTING NOTES

A golden straw color, this blend of Rhône varietals is a sophisticated yet approachable wine that displays an aromatic bouquet and flavors of crisp Fuji apple, citrus and stone fruit. The fruit on this medium-bodied wine is lifted and bright with a long, satisfying finish. Pair with chicken, pasta in alfredo sauce or white fish.

#### THE VINEYARDS & PHILOSOPHY

At Reddy Vineyards, we strive to provide the highest quality grapes to be enjoyed as your family's favorite wine. Situated in the heart of the Texas High Plains AVA (American Viticultural Area), our vineyards are blessed to possess a rare combination of factors ideal for growing premium grapes. Soaring at an elevation of 3305 feet, the vineyards experience a long growing season with warm days and cool nights. Sandy loam soils with deep limestone deposits protect the vines from pests while forcing the vines to produce concentrated grapes. This unique terroir allows us to grow grapes with exceptional balance, depth, flavor and intensity.
