WINEMAKERS NOTES

2021 was a strong vintage for white varietals, marked by developed flavors and balanced acidity. Winter and spring freezes, as well as multiple summer hail events reduced vineyard yields but precipitated high quality fruit. Despite late summer rains which raised fungal pressures in the vineyard, Reddy's Sauvignon Blanc continues to be a shining star. Vinified in stainless steel and bottled fresh, we do little to manipulate this wine, instead preserving a pure expression of this grape that is sure to brighten your day.

TASTING NOTES

The 2021 Petals and Clay Sauvignon Blanc is lighting in a bottle. Enticingly aromatic, this light-bodied wine is bursting with flavors of honeydew, melon, and pineapple. It possesses energetic acidity and finishes crisp, making it the perfect poolside refreshment or accompaniment for seafood and salads.

THE VINEYARDS & PHILOSOPHY

At Reddy Vineyards, we strive to provide the highest quality grapes to be enjoyed as your family's favorite wine. Situated in the heart of the Texas High Plains AVA (American Viticultural Area), our vineyards are blessed to possess a rare combination of factors ideal for growing premium grapes. Soaring at an elevation of 3305 feet, the vineyards experience a long growing season with warm days and cool nights. Sandy loam soils with deep limestone deposits protect the vines from pests while forcing the vines to produce concentrated grapes. This unique terroir allows us to grow grapes with exceptional balance, depth, flavor and intensity.
