WINEMAKERS NOTES

A strong vintage for white varieties, reduced yields resulting from an unseasonably early freeze in October 2019 encouraged fruit maturation with excellent balance and purity for the 2020 harvest. Favorable springtime conditions allowed fruit to set with ideal size and density. Hot and dry summertime conditions were combatted by precise canopy management in the vineyard to avoid excessive sugar accumulation and early ripening. Harvested in August of 2020, this wine was fermented in a single French oak barrel and rested in cellar for over a year. During its aging, we routinely stirred the lees which settle in the barrel to add flavor, depth, and complexity. The resulting wine presents an old-world inspired profile that compares to top dry Rieslings produced in Germany and France.

TASTING NOTES

A sophisticated wine exemplifying the incredible potential of Riesling grown in the Texas High Plains. Medium-bodied and Chablis like in its aromatic profile and texture, this wine offers fruit flavors of yellow apple and nectarine. Chalky minerality and floral characteristics add complexity. Finishing tart and zippy, this wine will transport you straight to mountains of Alsace.

THE VINEYARDS & PHILOSOPHY

At Reddy Vineyards, we strive to provide the highest quality grapes to be enjoyed as your family's favorite wine. Situated in the heart of the Texas High Plains AVA (American Viticultural Area), our vineyards are blessed to possess a rare combination of factors ideal for growing premium grapes. Soaring at an elevation of 3305 feet, the vineyards experience a long growing season with warm days and cool nights. Sandy loam soils with deep limestone deposits protect the vines from pests while forcing the vines to produce concentrated grapes. This unique terroir allows us to grow grapes with exceptional balance, depth, flavor and intensity.
