**ALCOHOL:** 13%  
**CASES PRODUCED:** 150 Cases

## WINEMAKERS NOTES

The 2020 harvest season was a challenge for High Plains grape growers, most of whom saw a significant reduction in crop load resulting from an unseasonably early freeze in October 2019. This event caused significant bud damage to vines which had not yet gone dormant after the completion of the year's harvest. However, the fruit that was produced was of remarkable quality. This reserve bottling is crafted with some of the finest fruit from the 2020 vintage and offers a rare expression of Pinot Noir, a grape often underappreciated in Texas. We aged this wine in a combination of once used and neutral oak for 8 months to maintain its bright and pure fruit character. This wine is best served at cellar temperature (approximately 60 degrees Fahrenheit) and pairs beautifully with fine cuts of meat and a wide range of artisanal cheeses. Approachable now but cellar worthy, drink this wine through 2028.

## TASTING NOTES

An aromatic wine that reveals floral notes and excites the palate for the intense red fruit characteristics to come. This wine is medium-bodied with incredible purity of flavor and notes of cherry, ripe strawberry, tobacco, and savory undertones. Fine-grained tannins offer a rich mouthfeel and a velvety finish. This layered and balanced wine offers many years of enjoyment.

## THE VINEYARDS & PHILOSOPHY

At Reddy Vineyards, we strive to provide the highest quality grapes to be enjoyed as your family's favorite wine. Situated in the heart of the Texas High Plains AVA (American Viticultural Area), our vineyards are blessed to possess a rare combination of factors ideal for growing premium grapes. Soaring at an elevation of 3305 feet, the vineyards experience a long growing season with warm days and cool nights. Sandy loam soils with deep limestone deposits protect the vines from pests while forcing the vines to produce concentrated grapes. This unique terroir allows us to grow grapes with exceptional balance, depth, flavor and intensity.
